Lieferungs-Bedingungen.

Alle Versendungen geschehen auf Kosten und Gefahr der geehrten Auftraggeber als Eisenbahn-Frachtgut ab Bahnhof hier, wenn andere Bestimmungen nicht vorliegen.

Die Verpackung wird gut und dauerhaft ausgeführt, so dass die Pflanzen auf einem langen Transport sich sehr gut halten, und extra, jedoch nur die Baar-Auslagen in Rechnung gestellt.

Etwaige Reclamationen können nur dann berücksichtigt werden, wenn dieselben sofort nach Empfang der Waare erfolgen. Ziel 3 Monate. Mir noch unbekannte Besteller ersuche ich den Betrag der Bestellung beizufügen, andernfalls wird derselbe bei der Sendung dem Gute nachgenommen.

Bei gefälligen Anfragen nebst Aufträgen bitte ich um recht genaue und deutliche Adresse, Post und Eisenbahnstation, sowie auch um Angabe an welcher Bahn die Station liegt.
